

TERRY EARTHWIND NICHOLS

Terry Earthwind Nichols is a Visionary Strategist for people who are looking for 'achievement-based' vs. 'goals-based' strategies for their business. Terry is the Chairman of Evolutionary Healer, a global transformational performance improvement company. When he's not strategizing brilliant marketing plans with entrepreneurs, Terry can be found doing intriguing interviews, planning his next vacation, or savoring a Maker's Mark Manhattan at his favorite restaurant.

A NOTE FROM TERRY

As a Visionary Strategist, with two degrees in marketing, I am all about inspiring business owners to create a vision of success for their companies that they can execute and actually achieve.

My Throw Out Your Goals Vision Strategy Roadmap is bringing PLEASURE back into the lives of stressed out entrepreneurs and drastically changing their mindset around marketing, while empowering them to hold onto their vision and move forward with intention, Stop-by-Stop.
