

MEET THE AUTHORS...

Terry Earthwind Nichols is the Chairman of Evolutionary Healer, a global transformational performance improvement company. Terry and his wife Linda Vettrus-Nichols take a holistic approach to coaching, including how experiences and emotions influence behaviors and successes in life. Terry & Linda can be found doing intriguing interviews, planning their next vacation, or 'glamping' in the woods with their Diva Shih Tzu pup...Princess Grace!

EVOLVE YOURSELF & YOUR BUSINESS

Terry & Linda show mindful entrepreneurs how to build a thriving, meaningful, and successful business around their family life. This book was written from a number of teachings and experiences the authors have received over the past 60+ years. Much of it comes from tracking what works, some of it comes from Universal Truth and the ways of Indigenous peoples. Humanity is now witnessing the next evolutionary stage of consciousness. What does that mean for you?
