### Speaking Topics

#### **Current Business Model - No Longer Valid**

The old way of leading people is about command and control. There is no room for empathy.  
No more - it's about change or close...

#### **A Simple Tilt of the Head = Sale or No Sale**

Through my research, I have found that people move their muscles unconsciously and that movement reflects what they are feeling and thinking in the moment.

What if you could read that movement in real-time?

#### **Imposter Syndrome Can Be Stopped**

Repetitive thoughts in adulthood are a direct result of an emotional event in early childhood.  
Learn how the RBCR Q&A sequence stops those thoughts permanently.
